Retraction Notice to : Expression of MRTF-A and AQP1 Play Important Roles in the Pathological Vascular Remodeling

Asian Pac J Cancer Prev, 16 (6), 2587

Yong Jiang

At my request the paper entitled 'The Expression of MRTF-A and AQP1 Play Important Roles in the Pathological Vascular Remodeling' *Asian Pac J Cancer Prev*, 16, 1375-83 has been retracted. The reason was a charge of plagiarism with regard to the paper entitled 'Reciprocal expression of MRTF-A and myocardin is crucial for pathological vascular remodelling in mice' published earlier in *EMBO Journal* (*EMBO J.* 2012 Nov 28;31(23):4428-40. doi: 10.1038/emboj.2012.296. Epub 2012 Oct 26.). I am very sorry that this occurred but I sincerely believe this was due to negligence on the part of the translation company that I trusted to make my manuscript ready for submission.
