

# CORRECTION TO: Reduced Expression of Limd1 in Ulcerative Oral Epithelium Associated with Tobacco and Areca Nut

Guru Prasad Maiti, Amlan Ghosh, Ramdas Chatterjee, Anup Roy, Tyson V Sharp, Susanta Roychoudhury, Chinmay Kumar Panda. Asian Pacific Journal of Cancer Prevention, 2012, 13, 9, 4341. (DOI:10.7314/APJCP.2012.13.9.4341).

Based on authors' request, the figure 2 should be corrected to:

Figure 2. Immunohistochemical Analysis of a) RB, b) p-RB (phosphorylated RB), c) LIMD1, d) RBSP3, e) p16 Proteins, f) EGFR, g) SH3GL2, and h) p53 Proteins in Normal Buccal Mucosa (N) and Different Oral Lesions (C). Black arrows indicate the expression and location of the proteins Magnification (X20); Bar=100µm. Inset magnification (X40).
