

## Appendix-1

<b>Tobacco use type</b>			
	<b>Questions</b>	<b>Code</b>	<b>Variables</b>
Smokers (Recoded variables into a single variable)	Do you currently smoke tobacco on a daily basis?	B01=1	Current daily smoker
	Do you currently smoke tobacco on a less than daily?	B01=2	Current less than daily smoker
	In the past, have you smoked tobacco on a daily basis?	B03=1	Former daily smoker
	How old (in years) were you when you first started smoking tobacco daily?	B04	AOI of current daily smoker
	How many years ago did you first start smoking tobacco daily?	B05	AOI of current daily smokers as “years ago”. Subtract B05 from AGE variable to get exact AOI
	How old were you (in years) when you first started smoking tobacco daily?	B08	AOI of current less than daily smoker
	How many years ago did you first start smoking tobacco daily?	B09	AOI of current less than daily smokers as “years ago”. Subtract B09 from AGE variable to get exact AOI
	How old were you (in years) when you first started smoking tobacco daily?	B11	AOI of former daily smoker
	How many years ago did you first start smoking tobacco daily?	B12	AOI of current less than daily smokers as “years ago”. Subtract B09 from AGE variable to get exact AOI
SLT users (Recoded variables into a single variable) Recode these variables into a single one	Do you currently use smokeless tobacco on a daily basis?	C01=1	Current daily SLT user
	Do you currently use smokeless tobacco on a less than daily?	C01=2	Current less than daily SLT user
	In the past, have you used smokeless tobacco on a daily basis?	C03=1	Former daily SLT user
	How old were you (in years) when you first started using smokeless tobacco daily?	C04	AOI of current daily SLT user
	How many years ago did you first start using smokeless tobacco daily?	C05	AOI of current daily SLT user as “years ago”. Subtract B05 from AGE variable to get exact AOI
	How old were you (in years) when you first started using smokeless tobacco daily?	C08	AOI of current less than daily SLT user
	How many years ago did you first start using smokeless tobacco daily?	C09	AOI of current less than daily SLT user as “years ago”. Subtract B09 from AGE variable to get exact AOI
	How old were you (in years) when you first started using smokeless tobacco daily?	C11	AOI of former daily SLT user
	How many years ago did you first start using smokeless tobacco daily?	C12	AOI of current less than daily SLT user as “years ago”. Subtract B09 from AGE variable to get exact AOI
	Recode above AOI into different AOI groups		

	<b>Covariates</b>		
Gender	Record Gender from observation do	A01=1	Male
		A01=2	Female
	<b>Apply cross tabs with chi-square to AOI categories for current daily, less than daily and former smokers and SLT users with Gender</b>
